The Attractions Bringing Many Visitors to the City.

LIST OF FLORAL HALL PREMIUMS.

D. HECHINGER & CO.

Nearly all who have visited Maysville's Fairs know that all courtesies that can be extended are received at Hechinger's Clothing House. It is generally believed that the Elks Fair will excel all previous Fairs held here before. Doubtless hundreds of people will be here who have not attended former Maysville Fairs. To friends and strangers we extend the hospitality of our house: come in and make yourselves perfectly at home. Incidentally, if you have any curiosity, we can tell you what men of fashion will wear this fall and winter. As we have got in our entire Fall and Winter Stock of Clothing, Gents' Furnishing Goods, Hats, etc.

To those who wear our Clothing it is a well-known fact that we handle the very best, namely, Stein-Bloch, L. Adler Bros. & Co., Michaels, Stern & Co., Carson, Meyer & Co., all Rochester made goods, which city is noted for making the best men's and boys' Clothing in the world. We have sold them for years, and our experience has been we have never had a dissatisfied customer who bought any of the above named brands. Our John B. Stetson Co. fall line of Hats is now open for your inspection; we want you to see them. You will not be importuned to buy; we just want you to look at them.

Our Neckwear and Shirt Departments are replete with the latest novelties for this fall. Ask us to show you the "Fusion Tie." Gentlemen who are going to attend the Fair Hops during the week, and did not bring their dress suits with them, can secure very handsome ones from us for the occasion. How about your feet? Hope they are not worrying you. No man can develop the better part of his nature while his feet ache. Aside from making himself disagreeable to others, he loses considerable of life's sunshine. He is thinking of his feet. It is good business to buy shoes intelligently. The Hanan & Son, W. L. Douglas, both of which lines are confined to us, are the smartest Shoes for men on the market. They wear longest, look best and feel broken-in from the start. We warrant every pair that we sell; money back if they do not give satisfaction.

Once more, come in and see us while you are in town, whether you want to buy or not.

QUESTION ANSWERED.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mother and grandmother never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of August Flower. Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of indigestible food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they look when feeling dull and bad with headache and other aches. You only need a few doses of August Flower. Lightly liquid to the system, you satisfied there is nothing sweeter than the water you get from a glass of August Flower. For sale by J. J. Wood & Son, Druggists.

AN UNEQUALLED RECORD.

There is a Rapidly Increasing Volume of Mayville Evidence Rolling Up For the Great Medicine, Dr. A. W. Chase's Nerve Pills.

It would seem that hardly anyone can take Dr. A. W. Chase's Nerve Pills without receiving marked benefit. The wonderful action of this medicine in putting people on their feet who are in a weak, run-down condition is the talk of every place they are known. It is only a short time since they first came to Mayville, yet today they are more in evidence for merit with Mayville people than all other medicines combined.

Mrs. J. M. Farley of No. 211 Fourth street, Mayville, Ky., says:

"I have been for a long time troubled with severe nervousness and I was generally run down. I read of Dr. A. W. Chase's Nerve Pills and got a box at Chenoweth's Drugstore, and now I can say my nerves are steeled and my health generally improved. I can recommend this medicine very highly."

Dr. A. W. Chase's Nerve Pills are sold at 50 cents a box at dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M.D., are on every package.

Laxakola, the great tonic laxative, is not only the most efficient of family remedies, but the most pleasant, because it combines two medicines, viz: laxative and tonic, and at one price you get almost twice as much for the money. The Acting Governor of Panama Says That the Condition is Not Serious.

OPEN TRAFFIC IS BEING PRESERVED.

The State Department Receives News of the Intention of Ecuador to Invade Colombia.

The Real Objective Point is Believed to Be Panama. Where the Invaders May Assist the Colombian Revolutionists.

Washington, Sept. 6.—Considerable surprise is expressed at the news of the intention of Ecuador to invade Colombia as disclosed by a dispatch received from Cali, which is the most important of the cities of the department of Cauca bordering on Ecuador. Senor Plaza, the new president of the latter country, who has just assumed office, heretofore has given evidence of his intention to observe strict neutrality between Colombia and Venezuela in their pending difficulties. The impression prevails that the invading force is in direct direction of the intervening party in Ecuador which probably has a force of considerable size, but the line and is taking an early opportunity to act before the new president can successfully interfere. The real objective point is believed to be the Panama, where the invaders may assist the Colombian revolutionists and those who may be brought from Nicaragua.

The Battle Ship Iowa.

Reliance is placed, however, by the Colombian officials on the presence of the United States men of war at Panama to prevent any attack on the line and is taking an early opportunity to act before the new president can successfully interfere. The real objective point is believed to be the Panama, where the invaders may assist the Colombian revolutionists and those who may be brought from Nicaragua.

There is more Calumet in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Calumet to be a constitutional disease, and therefore requires constitutional treatment. Hall's Calumet Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circular and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 25 cents. Hall's Family Pills are the best.

SPONDER DRAMATIC COMPANY.
The Journal and Tribune of Knoxville, Tenn., says:
The Sponder Dramatic Company opened a week's engagement at Stau's Theater last night and put on 'The Pearl of Savoy,' a pastoral drama. The house was well filled. * * * The story is well told and the denouement all that could be desired. Miss Alice Spooner, who takes the role of Marie, the Pearl of Savoy, is bright, vivacious and versatile. Although unusually young for one taking the leading role she acquitted herself with the sang froid and self-confidence of a more experienced actress. The comedian part of excellence of the troupe is Mr. F. E. Spooner, who played the role of Pierrot, a goat herder, and succeeded in interspersing a lot of good hearty, wholesome fun into the play. The rest of the company were meritorious and the costumes attractive.
The 'Spooner' all next week at the Washington Opera-house at popular prices.

An Open Letter.

We desire to say that our business since January 1st has passed the mark anticipated. We wish to be frank; therefore we are not attempting to talk to business people and put it in the form of a polished essay. The advantage of having merchandise different from your competitors is apparent, provided that the retailer is known to be reliable. Does not a good deal of advertising appeal to you as though the advertisers were indulging too freely in Fine Words? Most of them seem to say something that means nothing. Names are invented for goods that have no bearing whatever to the materials; turned and twisted until they are no longer relevant, all of which is done to tone the product, because the product hasn't enough of it. Fine feathers make fine birds, but fine words do not make fine goods. We are strong believers in advertising because it is a good thing, but advertising doesn't pay unless constructed on a proper basis, and that is to plainly tell people what you have to sell, and sell it as low as is consistent with legitimate business methods.

Our spring importation of Dress Goods, White Goods, Carpets, Mattings and House-keeping Goods generally is complete. Come and learn prices which will be found to be as cheap as the cheapest, quality considered. Respectfully,
GEORGE COX & SON.

PUT IN A TON OF OUR COAL

That will be enough to enable you to make any coal and you will find that the quality is all right. Chesapeake coal is not a mixture of good and bad from different mines, but all good from the one vein, being free from stone or dirt, it burns up clean.
